

hello.

i'm an orphan baby cthulhu. i do not have a real name, but i would like one. i lost my parents due to the waging war versus the elder things at the mountain of madness. i am one of many orphan cthulhus out there and i am need your help.

will you please consider adopting me and taking care of me for the rest of eternity?

i know it is said that when in my presence, the mere thought of me will descend you into the depths of madness, but i'm only a baby. my powers are not that strong.

if you raise me, my powers will not hurt you as i become older and stronger. i am in need of a kind heart to take care of me and guide me under the teachings of darkness so one day i will be powerful enough to avenge my kin.

i look forward to being your adopted illithid.

with hope,
baby cthulhu

p.s. i love falling asleep to the sounds of metal.
